

The mission of the North Carolina Partnership for Compassionate Care (NCPCC) is to ensure that patients' end-of-life care choices are openly discussed, documented, and honored by providing educational resources to the community and health care professionals. In order to fulfill this mission going forward, we must become a sustainable organization. The recent transition of functions to Hospice & Palliative CareCenter will help support our work by providing necessary infrastructure but more is needed to continue our efforts.

In addition to grant funds, we are asking for membership dues for further fund the North Carolina Partnership for Compassionate Care (please see the attached membership application). This membership will help fund an employee who will work to create additional resources and trainings that will be available for use by our members as well as updating our website, communication to members, grant applications, and other necessary tasks to further our organization.

Membership is open to any organization, coalition, or individual that will support the mission of the North Carolina Partnership for Compassionate Care. Please share this information with any organization that may be interested in joining NCPCC.

Membership benefits include:

- Listing as a supporting partner on our website (www.CompassionateCareNC.org)
- Connection to a statewide, multi-disciplinary effort to ensure access to quality end-of-life care
- Access to ideas, tools, resources, and trainings
- Timely updates regarding MOST (Medical Orders for Scope of Treatment) and other legislative updates regarding advance care planning in North Carolina
- NCPCC's email newsletter (coming soon)
- Being part of a larger public policy voice to impact end-of-life issues
- Participation on committees and task forces to shape NCPCC's initiatives
- Monthly regional coalition conference calls

Please review the attached membership application. Annual dues should be submitted by July 15 to be included in membership benefits and requirements. Feel free to contact Christine Brown at Christine.Brown@hospicecarecenter.org or by phone 336-768-3972, with any questions.

MEMBERSHIP APPLICATION PACKET

The mission of the North Carolina Partnership for Compassionate Care is to ensure that patients' end-of-life care choices are openly discussed, documented, and honored by providing educational resources to the community and health care professionals.

Broad-based membership is our most effective tool in reforming end-of-life care. Your membership will help us ensure we achieve our mission across the state.

What can the NCPCC do for your organization?

- Sharing of resources for consumers
- Sharing of resources for health care providers
- Trainings (MOST, advance care planning facilitator, and more)
- Networking with national, statewide, and regional organizations and coalitions
